

STATEMENT OF PURPOSE

RS30491 / S1151

This is a trailer bill to House Bill 24 to impose additional sideboards on the Idaho Launch program. It makes three primary changes: 1) It enhances legislative oversight of the Idaho Launch program to enhance program accountability; 2) It ensures greater "skin in the game" from Launch participants by capping the maximum state match; and 3) It further limits the use of Launch funds to just tuition and fees.

FISCAL NOTE

As a trailer bill, there is no incremental program cost beyond the original fiscal note for House Bill 24. The sideboards in this trailer bill may further reduce program costs.
